5th March 2025

Dear Parents and Carers,

Online Safety Evening 19th March, 6pm @ Mont Nicolle School Hall

Alongside Mont Nicolle School we have teamed up with the Senior Safeguarding Team from Victoria College, to run another of their very successful sessions on protecting children in the online world. Parental feedback to the previous sessions they have run has been very positive, with parents commenting on how useful they have found them. The session is designed to equip parents with better knowledge of the dangers their children may face in the online world.

We all take safeguarding children in the 'real' world very seriously, but as we did not all grow up as 'digital natives', protecting our children in this space can be a whole lot more challenging, not least because of the speed that things change in the online world. We know that parents are eager to find out more about how to protect children online, so this evening is a perfect opportunity! Staff from both schools will be present at the evening.

The evening will be on 19th March at 6pm in Mont Nicolle school hall. There is parking on site at Mont Nicolle...but please part considerately and don't block the drive!

Please complete the form to reserve your space: [Online Safety Form \(to reserve seats\)](#)

There is limited space and parking, so we are going to cap the numbers attending...so get your place booked in asap!

New Minibus is here!

Huge congratulations to our PTA who have now successfully completed the minibus replacement project. Every parent that has supported a PTA event over the past five years or so have helped us towards this huge achievement, so thank you to one and all! Just before half term, and slightly unexpectedly, we were informed that our new bus was on-island, and over half term it had its new school branding applied. It looks super-smart inside and out! It has already been used multiple times, and over the next ten years will be used regularly to drive hundreds of children all over the island as part of their learning and curriculum. Look out for it around the island over the coming months! We would also like to thank the Variety Club for their donation a little while back which supported us to get this project over the line- on the bus branding you will see the PTA and Variety Club both mentioned.

New Playground Works Commence

If you haven't popped into school yet this half term you may not have noticed that there is significant groundworks currently going ahead in the playground to re-level and prepare the surface for the new playground equipment. This is a super exciting project, and over the coming we will be able to watch it take shape. By the start of the Summer term (at the latest) we are hoping the new playground will be open for all to use.

In the meantime, as there are large areas cordoned off for safety, please be extra vigilant when you are dropping and collecting your children to ensure no one goes near the barriers.

Upcoming events:

- **World Book Day Thursday 6th March:** Dress as a Book Character, or dress cosy.
- **Swimarathon 20th March:** More details to follow
- **Red Nose Day 21st March:** More details to follow
- **Down Syndrome Awareness 21st March:** Wear bright/odd-socks

Yours sincerely,
