

# LA MOYE SCHOOL LIBRARY NEWS

## HAPPY NEW YEAR!!!!!!!

2026 is National Year of Reading and the theme this year is “Soundtrack your Story”. Reading is not just about books, it’s about catching up with the news in a newspaper, flicking through a magazine for interesting articles and even reading the lyrics of your favourite song. Did you know that the Nobel Prize of Literature was once won by a songwriter because his lyrics were so poetic!

Here at La Moye, we are running a competition that you can all get involved with. We would like

you to write a poem or lyric which tells a story. It can be an existing story or a new one and it doesn’t have to be very long. You can illustrate your poem or story but it is the writing that will be the most important bit.

The poems and lyrics will be put on display and **THERE WILL BE PRIZES!** Please hand in your poems either to Mrs Wallace-Sims, Mrs Lopez-Rubio or Mrs Barcis before the end of January.

## HAPPY READING & WRITING EVERYONE!
