Report on PTA's activities since last AGM

(Charlotte)

Charlotte reported on the PTA activities for last year which included:-

Automated Sign Up went really well for parents to sign up for Fruity Friday and to help at events.

The core roles had to change slightly as we could not find an Events Co-Ordinator so the Core Committee absorbed the role for the year.

The Halloween Disco was a success and all the children enjoyed it.

Fruity Friday carried on until Covid 19 unfortunately put an end to it.

We managed to get new clothing rails for the uniform sales.

The Christmas Card Project raised £600.

The Christmas Fayre raised £2871.70.

Christmas parties were held throughout the school.

We had movie night and the children bringing their own water bottles worked out well.

We also held a quiz night which was kindly held by Tim Frojd, thanks again Tim for all your hard work!

The Christmas Raffle was also a great success.

The Mother's Day Stall went ahead and was a great success - thanks to Karen Depledge for organising and running this event - she is an absolute star and has offered to help again with this which is amazing.

The PTA also held a colouring competition over lockdown where children could win a £10 Amazon voucher and this went really well.

The PTA also paid for the leaver medals for Year 6.

Welcome & Introduction

(John)

John thanked the PTA and supporters for all their hard work.

Report of Accounts for the last year

(Kelly/Carey)

Kelly went through the Accounts for the year 31 August 2019. The current balance in the PTA account is £16,306.15. The Accounts will be posted on the website.

Christmas Card Project

(Sophie)

Sophie has been looking after this with help from Mr McAllister. All running smoothly so far. Teachers are to make sure artwork and order forms are sent home no later than Friday 16 October and parents need to return the artwork and forms no later than Wednesday 21 October. Sophie will then send the artwork off over half term to Cauliflower Cards.

Christmas Activities

(Charlotte/Joy)

Joy has very kindly researched some great ideas for the children to enjoy over the month of December as we are restricted to our usual activities due to Covid-19.

1 December - visit from The Elf on the Shelf (£135 for 2 elves for 1 hour)

4 December - guess how many sweets in the sweetie jar

11 December - Box of Christmas crafts for each class to enjoy making a Christmas craft

18 December - Dress down and Christmas movie day

Suggested donation of £5 to cover all 4 events. Joy to liaise with Nasima and John directly regarding getting the go ahead on this.

Plans for 2020/21

(Charlotte/John)

The school would like to get a new library and would be good to fund raise over the next year towards this. The PTA agreed to give a bulk of the cost from the PTA funds. John to advise when they have final plans and costings. To be discussed again at the next meeting. We will also look at getting a cashometer so everyone can see the fund raising progress for the library. The PTA will also look at setting up a GoFundMe page for this too.

Joy and Heather will look into using the display board in the playground to create a visual for the library plans.

AOB

(All)

Sophie will put a date in diaries for the next PTA meeting for after half term.
